Dual Credit Courses for Austin Community College****Pages 127-129**

The following Austin Community College courses have been pre-approved for dual credit for the AISD courses listed below. In some cases, prerequisite courses may be required by ACC. If multiple courses are listed, all are necessary to meet the dual credit requirements. Junior and senior students who have satisfied course prerequisites may apply to Austin Community College to take the following courses. Only courses listed here are pre-approved for dual credit. Other courses listed on the ACC website may not be pre-approved by AISD and will not be accepted for dual credit. Additional courses may be offered for dual credit if Counselors or Registrars submit a course approval form to the Department of Curriculum for review and approval.
