# Driver Education Theory

## Theory Only

AISD Driver Education classes provide classroom instruction only. AISD does not offer behind-the-wheel instruction.

Students must complete behind-the-wheel instruction in order to get their driver's license.

Behind-the-wheel instruction is available through the parent taught program (contact the Department of Public Safety Driver License Division for more information) and through commercial driving schools.

## Verification of Enrollment or TEA Forms

In order to get a learner's permit or driver's license, students must provide DPS with a Verification of Enrollment Form, also called a TEA Form.

This form must be obtained from the student's school.

## Attendance Policy

Students may not miss more than 2 days of class. Any absences must be made up. It is the student's responsibility to arrange with the instructor to make up missed classes.

## Refund Policy

If you choose to drop a class, the class fee will be refunded in full when you cancel your registration at least 5 business days before the start of class.

A partial refund of \$75 will be given to students who cancel 1-4 business days before the start of class.

No refunds will be given after the start of class.

To cancel your registration, call 414-0546.

In the event that we must cancel a class, you will be notified at least two business days in advance and a full refund will be issued.
